Future Anything National Finals 2025 - Student Application

Welcome to the Future Anything National Finals 2025!
Congrats on getting this far, we can't wait to hear about your future-bending idea.
Team Name
Which categories would you like to enter? ☐ Pitch
Showcase
There are two National Finals categories, **PITCH** and **SHOWCASE**. You can choose **one** or **both** categories - **for the best chance of success, choose both!** **PITCH CATEGORY:** Successful entries in this category will live pitch (3 minutes with slides) to a panel of judges in our virtual National Semi Finals. The winners of each Semi Final will progress to the Grand Final and pitch live on stage for a share in \$75 000+ in prizes. **SHOWCASE CATEGORY:** Successful entries in this category will tradeshow display their idea at the National Grand Final in a Showcase Expo to win a share of a \$30,000+in prizes. You can even sell your product during the Expo, and make money.

Think of a roadmap. If you won the National Finals, what would you use the prize money & support packages for? In this question		

Video: Why you, & why now?

In this section, we want to hear why the problem that you're solving matters to you.

Create & upload a one (1) minute video telling us: Why should we pick you?

We're not looking for polish, we're looking for passionate young people with ideas that have potential.

Why you? Why now? What makes you (or your idea) different?

DO NOT GO OVER TIME as the judges will only watch the first minute.

Filming on your laptop or phone is fine. The judges are looking for CONTENT NOT POLISH, so focus on answering the question within the time limit, rather than fancy presentation.

You can upload your video (max 10MB) OR provide a link to a video or sharing site such as YouTube, Vimeo or Google Drive. If you are providing a link to an external site, please ensure sharing permissions are set so that external contacts can view your video. You may also want to consider video converters like Handbrake or Any Video Converter Free to reduce the file size.

Upload your video here (Max 10MB) (optional)

OR

Provide the URL for your video here (optional)

In this section, you can upload two attachments (a logo and image of your prototype) if you have them. These can really help bring your idea to life!

You can upload JPEG, PNG or PDF files. Maximum file size is 10MB per item.

Please upload your **team logo** (if you have one) (optional)

Please upload an image of your **prototype** (if you have one) (optional)

The Future Anything Educator Awards 2025 celebrate all the incredible great work done by teachers in classrooms across Australia.

Before you submit your own team entry, we're giving you the opportunity to recognise your own teacher, by nominating them for an award.

Please note that this is completely optional and choosing to nominate your teacher will have no bearing on the outcome of your own National Finals entry.

Would you like to nominate your teacher for the Future Anything Educator Awards 2025
○ Yes please
O Not right now
